The iReach Multibus Omnibus is the ideal research vehicle for:

- Research among hard to reach groups
- Research requiring multimedia e.g. Images, video and sound
- Ad and Brand awareness
- Usage and attitudes survey
- Consumer and Public opinion polling
- Ad and Brand tracking and testing
- Complex questions, sorting and ranking exercises
- Longer series of questions
- Pre and Post advertising checks

A range of different non-competing clients can simultaneously participate in each **iReach Multibus™** survey, either as a one-off exercise, or as part of an on-going tracking research programme, obtaining the cost benefits of a multi-client Omnibus with the unique insights of a custom research program. Turnaround is 1 week for tabular data and 2 weeks for full research findings report.
